MEMORANDA, CIRCULARS, &c.

MEMORANDUM.

Horse Guards, 8th November, 1855.

To ensure the instruction in Musketry being efficiently and properly carried out in the several Battalions in the shortest time, the Field Marshal Commanding-in-Chief directs that the following rules be strictly observed in all Regiments and Corps armed with the Rifle Musket:—

1. On an Instructor joining a Battalion where the system as at present authorized is not in force, the Commanding Officer thereof is to hand over to the Instructor at least two Non-commissioned Officers per Company (the Senior Non-commissioned Officer of each Company to be one of them) for training; to be struck off all duty while under instruction.

2. When these Non-commissioned Officers are thoroughly instructed in the Preliminary Drills, which can be well effected in a *week* or *ten* days, they are to be employed to assist in the instruction of their respective Companies, as hereafter detailed.

3. The Senior Non-commissioned Officer of each Company is to be appointed Company Instructor.

4. Each Company is to be divided into four sections, having its proper proportion of full and acting Non-Commissioned Officers to each.

5. An Officer of the Company is to be told off to each sub-division, who is to be present with the sections of it on all occasions when under instruction either in Drill or Practice.

6. Each Company is to keep the prescribed Returns, viz.:—

Index Return.
Target Practice Return.
Judging Distance Practice Return.

In these Returns, the names of the Men are to be entered by sections, the Non-commissioned Officers heading each section.

7. The Captains or Officers commanding Companies are to be held responsible that these Returns are carefully and correctly made up, as they are the records, showing the progress and efficiency, or otherwise, of the Company in the use of the Rifle; they are simple and easy to keep, if filled in as the several Practices occur.

8. These returns are to be sent to the Instructor whenever he may require them, who will point out to the Commanding Officer any neglect he may observe on examination.

9. After the Non-commissioned Officers have been instructed as directed in Article 2, the first section of each Company, with its Non-commissioned Officers of the right wing, is to be struck off all duty, and handed over to the Officer Instructor for training; these sections are first to be put through the Preliminary Drills, which can be effected in six days, viz.:—

10. After the preliminary drills have been gone through, these sections are to proceed immediately to target and judging distance practices, when, in six days more, they can have fired through the 1st* and 2nd† "periods," viz. forty rounds per man; or, in the case of recruits, will have repeated the "1st period," the first twenty rounds being expended in preliminary firing (one round to be fired from a rest at the several distances from 100 to 300 yards), and have judged distance in the 1st and 2nd period also.

11. When these sections proceed to target practice, the 1st section of each company of the left wing is to be struck off duty, in order to go through the preliminary drills, as per table; so that by the time the sections of right wing have fired they will be ready to replace them, and when they do so the 2nd sections of companies of the right wing are to take their place, and so continue by sections, till the whole battalion is similarly trained, which in fair weather can easily be effected in ten weeks, as shown in the following statement, by which it will be seen that each section need only be kept off duty for fourteen days (weather permitting), and that a fourth of the battalion are employed in training to the use of their arms.

Suppose the battalion to commence its annual course of training 15 March.

	Preliminary Drills.		Target and Judging Distance Practice, 1st and 2nd Periods.	
	From	To	From	To
1st Section, Right Wing	15th March	20th March	22nd March	27th March
1st ,, Left Wing	22nd ,,	27th ,,	29th ,,	3rd April
2nd ,, Right Wing	29th ,,	3rd April	5th April	10th ,,
2nd ,, Left Wing	5th April	10th ,,	12th ,,	17th ,,
3rd ,, Right Wing	12th ,,	17th ,,	19th ,,	24th ,,
3rd ,, Left Wing	19th ,,	24th ,,	26th ,,	1st May
4th ,, Right Wing	26th ,,	1st May	3rd May	8th ,,
4th ,, Left Wing	3rd May	8th ,,	10th ,,	15th ,,

12. When the Regiment is classified into 1st, 2nd and 3rd classes, the Instructor is to arrange them into sections of classes; those sections required for firing (in all not to exceed 100 men at a time) are to be struck off duty till they have fired through the 3rd period, viz., twenty rounds more, which will occupy three days; and by a Regimental arrangement the Judging Distance Practice, by classes, in the 3rd period can be gone through in a week, so that Firing and Judging Distances in the 3rd period‡ can well be carried out through the whole battalion in a month.

13. While the 3rd period is being carried on, one of the Officer Instructors can be employed in training the Recruits in the Preliminary Drills and Firing, which latter can be effected before the Target Practice of the battalion commences, viz., before breakfast, or at other times when the practice ground is not occupied by the battalion.

14. When the third period of practice is gone through, the "file and volley firing," and "skirmishing" practices, is to be proceeded with by sections of companies; the first section of companies of right wing being

* 1st period, up to 300 yards. † 2nd period, up to 600 yards.
‡ 3rd period, up to 900 yards.

struck off duty for the purpose for three days, and then those of the left wing, and so continue till the whole battalion has been thus exercised, which will occupy another month.

15. The whole instruction, viz. preliminary drills, and practice of a battalion, will thus be gone through in four and a half months.

16. The annual course of instruction is invariably to commence in every battalion or depôt on or before the 15th of March in each year, so that it may be finished by the time the autumn half-yearly inspection takes place; this will give a period of about seven months, and leave a margin of more than two months for unfavourable weather.

17. The foregoing Articles apply equally to depôt battalions; but as it is of the utmost importance that the various drafts sent therefrom should be trained to the use of their rifle, officers commanding will so arrange that the men for such drafts are handed over to the officer instructor in sufficient time to ensure the directions contained in Articles 9 and 10 of this Memorandum being complied with, each depôt of the battalion furnishing at a time a party of one officer, two full non-commissioned officers and twenty-five men, if the battalion consists of four depôts, or one officer, two full non-commissioned officers and twenty men, if of more than four depôts. When the several parties proceed to target practice, parties of similar strength will be again furnished to go through the preliminary drills; by this means after the first week 200 men will always be under instruction, half of whom will be firing.

Each depôt will furnish a company instructor with each party for instruction.

18. Recruits in like manner will be entirely handed over to the instructor, by squads, for fourteen days at a time; they will, however, be under the instruction of the adjutant for the first three weeks after they join the battalion, during which time they are to be instructed in all the motions of loading, standing and kneeling.

By Command,
G. A. WETHERALL,
Adjutant-General.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

VICTORIA R.

WHEREAS we have considered it necessary for the improvement of our service, and for the better providing for the duties of the Purveyor's Department, that the ranks and classes of that Department should be extended, and the rates of Pay and Half-Pay of the Officers and Clerks thereof be regulated and amended: Our will and pleasure therefore is, that, instead of the provisions contained in our Royal Warrant of the 27th April, 1853, re-establishing the Purveyor's Department, those contained in this our Royal Warrant, to be administered and interpreted by our Secretary-at-War, shall from the date hereof be the sole authority regarding that Department of our Service.

1. The Purveying Department of the Army shall consist of a Purveyor-in-Chief, a Deputy Purveyor-in-Chief, Purveyors, Purveyor's Clerks of the 1st Class, and Purveyor's Clerks of the 2nd Class.

2. The full pay of these Officers and Clerks shall be according to the accompanying Table:—

3. The Purveyor-in-Chief, Deputy Purveyor-in-Chief, and the Purveyors, shall be Commissioned Officers, and shall have the following relative ranks:—

The Purveyor-in-Chief, as Major, according to the date of his Commission as such.

The Deputy Purveyor-in-Chief, as Captain, according to the date of his Commission as such.

The Purveyors, as Lieutenants, according to the dates of their Commissions, during the first ten years of their service in the Department; but after that time as Captains, but as junior of that rank.

4. These Officers, if placed on half-pay by reduction of Establishment, or in consequence of ill health contracted in the Service, or after twenty-five years full pay service, in which last case they shall have the right to retire upon half-pay, will be allowed the half-pay to which their total service in the Department, as specified in Clause 10 of this Warrant shall entitle them according to the following Table:—

	Purveyor-in-Chief.	Deputy Purveyor-in-Chief.	Purveyors.
	Per Diem.	Per Diem.	Per Diem.
	£ s. d.	£ s. d.	£ s. d.

5. Any Officer retiring at his own desire, after twenty-five years' full pay service, will be entitled to the rate assigned to his rank and service in the above Table, provided he shall have served three years in the rank from which he retires; but if he shall not have served three years in such rank he shall only receive the rate attached to the rank from which he was last promoted.

6. The widows and families of these Officers will be allowed the pensions and compassionate allowances granted to Officers of their relative ranks by the Pension Warrant of 15th June, 1855, subject to all the conditions and restrictions stated in the said Warrant.

7. These Officers must, if so required by the Secretary-at-War, give such security for the due care of public monies entrusted to them as the Secretary-at-War may be pleased to direct.

8. The Purveyor's Clerks will not receive Commissions, but will hold temporary appointments. They will not be entitled to any half-pay on reduction on retirement, nor will their widows or families be entitled to any pensions or compassionate allowances.

9. The Purveyor's Clerks will have the following relative ranks:—

Purveyor's Clerk of the 1st Class, as Ensign, according to the date of his appointment.

Purveyor's Clerk of the 2nd Class, as Ensign, but as junior of that rank.

Digitized by Google

10. Service in the inferior ranks will be allowed to reckon, if continuous, towards increase of full pay, in the higher ranks; but a Clerk or Officer will be required on promotion to serve one year on each rate of pay of the rank to which he shall be promoted, commencing at the minimum of each rank until he shall have attained the rate of pay warranted by the whole of his service.

The Purveyor-in-Chief will be allowed to reckon only one-third, and the Duputy Purveyor-in-Chief only one-half, of their service as Purveyor or Purveyor's clerk, towards increase of full pay in their respective ranks of Purveyor-in-Chief and Deputy Purveyor-in Chief.

Given at our Court at St. James, this 31st day of October, 1855, in the 19th year of our reign.

War Office, 30th November, 1855.

SIR,

I AM directed to enclose a Form for Soldiers' Remittances, which has been substituted for that now in use, and I am to request that you will give instructions for its immediate adoption in the Regiment under your command.

For the new Form the signature of the Officer Commanding the Company to which the Soldier belongs, and that of the Soldier himself, are omitted, and there is added a form of receipt to be filled up by the Paymaster and delivered to the Soldier.

These alterations being introduced with the object of facilitating remittances on the part of Soldiers, as much as possible, I am instructed to request, that you will make them known to the Officers and Soldiers belonging to the Regiment under your command, and cause the whole of the regulations on this important subject to be strictly and punctually attended to, and it is hoped with these additional facilities, that the men generally will be induced to remit a very considerable proportion of their Surplus Pay, after discharging the regulated claims thereon for messing and necessaries.

I am further to acquaint you that the Right Honorable the Post Master General has made a representation regarding the numerous applications to his department for missing letters containing coin sent by Soldiers employed on Foreign Service, to their friends and families in England. The practice of forwarding coin in letters being not only unsafe, but under the present arrangements for remittances, also unnecessary, should be wholly discontinued, and I am to desire that you will not sanction letters from Soldiers of the Regiment under your command, when containing coin, to be forwarded through the official channels of communciation.

I have the honor to be, Sir,
Your obedient Servant,
B. HAWES.

WHEREAS we have judged it expedient to cancel our Royal Warrant of the 12th day of October, 1855, and to revise that part of our Royal Warrants of the 6th day of October and 3rd day of November, 1854, which regulates the Half Pay of Regimental Quarter Masters; Our will and pleasure is, that Quarter Masters who shall have served for an aggregate period of thirty years, of which at least ten years shall have been as Quarter Master, shall have a claim to retire with the honorary rank of Captain, upon the Half Pay of 10*s.* a day, provided such retirement shall be recommended to us by our Secretary of State for the War Department.

It is our further will and pleasure, that this our royal warrant shall have a retrospective operation, so as to confer the honorary rank and increased Half Pay upon all Quarter Masters who, after the completion of the aforesaid periods of Service, have retired since the declaration of the present War with Russia.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

WAR DEPARTMENT.

CIRCULAR, No. 1216.

SIR, *Horse Guards, 1st January*, 1856.

With reference to the Circular Letter from the War Office of the 25th May last, No. $\frac{113,510}{248}$, granting to the end of the past year a commuted allowance of three-half-pence in South Britain, and one penny in North Britain and Ireland, in aid of the supply of Bread and Meat to Non-Commissioned Officers and Privates employed on the Recruiting Service, when not on a march, or when in other situations which would disqualify them from drawing Rations, I am directed by the Secretary of State for War, to acquaint you that the issue of the said allowance under the circumstances stated may be continued to the 30th June next.

I have the honor to be,

To Inspecting Field Officers of Recruiting Districts,
Commanding Officers of Regiments, &c. &c.

Sir,
Your obedient servant,
B. HAWES.

(CIRCULAR.)

Horse Guards, 17th January, 1856.

THE Field Marshal Commanding in Chief, with the sanction of the Secretary of State for War, is pleased to direct that that part of the Bounty for Recruits which relates to stoppages for the supply of Necessaries, on final approval, shall be abolished; and that the Recruit shall hereafter be entitled to receive in *Money* the actual sum specified as *Bounty*.

It is also intended to supply him with a complete Kit at the public expense.

Under this arrangement it becomes necessary to equalize the bounty. Although the Cavalry and Artillery Recruits received a higher rate, the apparent difference was absorbed in the costs of additional articles of equipment, not required by the Infantry Soldier. Those Articles will in future be furnished by the Government.

During the War, the scale of Bounty for Cavalry, Artillery and Infantry will be as follows, viz.—

	£	s.	d.
On Attesting	0	5	0
On Intermediate Approval	0	15	0
On Final Approval	4	0	0
Total Bounty	£5	0	0

Digitized by Google

This new distribution of a Soldier's Bounty will enable him to remit a liberal sum to his family or to deposit money in the Savings Bank, to facilitate which the Secretary of State for War will cause ample instructions to be given; and the Field Marshal Commanding in Chief is confident that Recruits will take advantage of the opportunity to benefit themselves by providing for the future, or of affording that temporary assistance to their parents which many of them have already shown an earnest desire to do.

Volunteers from the embodied Militia on extending their services to the Line, will receive £1 on being attested, and as they are considered fit for duty, a further sum of £5 on final approval will be allowed them, making in all a bounty of £6 and a kit complete.

The Bringing Money and Rewards to continue as heretofore.

This Order to take effect on and after the 31st January, 1856.

G. A. WETHERALL,
Adjutant-General.

CIRCULAR. No. 1218.

SIR, *War Department, 30th January,* 1856.

THERE being reasons to believe that on certain stations abroad, Her Majesty's Regulations are not strictly attended to as regards the Rations of provisions granted for the Male Servants of Officers, and for the Rations of Forage issued for the Horses of Officers, I am directed by Lord Panmure to call your attention to the form of Certificate, No. 16, page 223 of the Commissariat Regulations (1852), of which a copy is hereunto annexed, wherein the Officer is required to certify upon his Honor that the number of Male Servants and Horses claimed in the Monthly Return by the several Officers respectively are actually kept by them, with other particulars; and to request that you will point out to all the Officers serving under your command, the following facts, for their careful consideration and guidance in furnishing the claims contained in such Monthly Returns, and in signing the Certificates attached thereto.

1. When this indulgence was granted to Officers on Colonial Service, it was the intention of the Secretary at War, that no such Rations should be drawn, either for the Male Servants, or for the Forage of Horses, except on the clear and distinct understanding, that the Servants were actually living in the house, and discharging all the duties attached to that situation.

2. That in like manner, Forage should not be drawn except for Officers bonâ fide in possession of "Chargers," and that such animals should be "effective," and equal to, and kept for the Military duties required.

3. There being reason to believe that this regulation is not conformed to, or even understood by many officers, Commanding Officers of Corps and Detachments, and the heads of the several Military Departments, should explain to all the Officers of their respective Corps, the consequences that devolve upon them in signing the certificate, which they must necessarily do on Honor as Officers in Her Majesty's Service, before they can receive the Rations attached to such Warrant.

4. Commanding Officers should cause all such certificates to be strictly investigated, and they are enjoined in no instance to permit them to be

transmitted to the Commissariat Department until they are thoroughly satisfied of their correctness.

5. Commanding Officers will further require Officers to account on their Certificates for such broken periods during the month in which they had not either Horses or Servants.

6. It is proper to observe that these allowances do not apply to cases in which the Officers borrow Horses, or partially employ men as Servants occasionally during the month, as such claims would be in direct opposition to the Treasury Warrant.

7. Officers Commanding Corps, &c., should immediately report for the information of the General or other Officer Commanding in the Station, any infraction of these Regulations on the part of Officers under his command.

I have the honor to be,
Sir,
Your obedient servant,
B. HAWES.

To General Officers
Commanding on Foreign Stations.

We hereby certify, upon Honor, that we do actually keep the number of Male Servants, and Horses, detailed in this Monthly Return, opposite our respective names, and that the Servants are of the age of 14 years, or upwards, and do not receive Rations in any other capacity, and that no pecuniary allowance for them, or in lieu of the Forage required, has been, or will be, received by any of us; and we further declare, that our Certificate of last month remained without casualty throughout the whole period.

Rank and Name.	Number of		Signatures.
	Servants.	Horses.	

Note.—In the case of Staff Medical Officers, the following addition is to be made to the Certificate:—

"We, the undersigned, certify to the same effect, except that we have received the regulated allowance of 1*s.* 6*d.* per diem for a servant not being a Soldier."

And—In the case of Officers of the Corps of Royal Engineers, that:—

"We have received 1*s.* 6*d.* a day for each Servant allowed us by the Ordnance Regulations."

VICTORIA R.

WHEREAS under our Regulations and Orders for the Army it is prescribed that a Recruit upon being finally approved shall receive as bounty a sum of money in cash and necessaries: and whereas it has been represented to us that it will be expedient that the Recruit should receive his bounty in cash, and should on final approval be supplied with necessaries at the public expense; our will and pleasure is, that on and after the 31st day of January, 1856, all Recruits enlisting in our Army shall receive gratuitously a stock of necessaries from the stores of the Director General of Army Clothing, which shall be kept up by the Soldier at his own expense, under the present, or such other Regulations as may be determined upon by one of our principal Secretaries of State and our Commander-in-Chief.

The articles to be supplied to every Soldier who enters our Army are detailed in the enclosed Statement, which comprises every article of Necessaries required for Soldiers of all branches of our Army.

Given at our Court of St. James, this 22nd day of January, 1856, in the 19th year of our reign.

By her Majesty's command.

CIRCULAR. No. 1217.

War Department, Horse Guards,
30th January, 1856.

Sir,

The attention of the Secretary of State for War having been directed to the serious inconvenience and delay in the distribution of the balances of Effects of Officers and Soldiers who have died in the Crimea and in Turkey, caused in a great measure by such balances being reported to this Department only in the Regimental Quarterly Pay List, his Lordship has deemed it expedient to direct that, during the War, a monthly return, showing all the casualties that have occurred, commencing from the 1st inst., shall be rendered to this Department by each Regiment in the East, on the enclosed Form.

2. The casualty return is to be despatched without fail within one week after the termination of each month; but if in any instance it should be found impracticable to include therein the *amount* of the effects, as well as the *name* of the Officer or Soldier, such amount should be included in the return for the succeeding month; but every endeavour should be made in the first instance to make the return as complete as possible.

3. The name, however, should invariably appear in the return of the month in which the Officer or Soldier shall have become non-effective.

4. The Paymaster will clearly understand that the sums inserted as the balances of the Officers and Soldiers' effects will, on the receipt of the return, be at once authorized by this Department to be paid to their representatives; he will therefore be held responsible for crediting the sums so stated in his Quarterly Pay Lists, and for any overpayment from any erroneous entry in the return. I am therefore to request that you will enjoin upon the Paymaster the necessity of a careful attention in preparing and punctually rendering to this Department the monthly return complete in all its details, and with the Soldiers' Account Books duly annexed.

5. The prescribed non-effective statements of the Officers and Soldiers' accounts are, as heretofore, to be annexed as vouchers to the Quarterly Pay List; but it will be unnecessary to repeat in the casualty return of the Pay List any other particulars which will have already appeared in the Monthly Return, except the names of Officers and Men and the amounts of effects, quoting the number of the non-effective statements as a voucher, and the regimental number of the Soldier.

6. All the particulars applicable to *Deserters* are to be inserted in the Monthly Return, except the amount of effects. The amount of such effects is to be stated only in the Quarterly Pay Lists, where also should be stated the full particulars regarding Men transferred or invalided, which are not required to be inserted in the monthly statement.

7. The list of casualties annexed to the "Daily Distribution" and the periodical "Record of Deaths," hitherto furnished by the Regiment, may for the future be discontinued.

I have the honor to be, Sir,
Your most obedient humble Servant,

To Officers commanding Regiments in the East.

Revised Special Instructions for carrying into effect the Volunteering from the Militia to the Cavalry, Foot Guards, Infantry of the Line, Ordnance Corps, and Marines.

1. On all occasions of Regiments of embodied Militia being prepared to volunteer, the same will be notified by the Commanding Officers to the General Officers of Districts, who will detach to each Corps an Officer of experience, if possible not under the rank of a Field Officer, for the purpose of receiving the volunteers. He will be accompanied by a Staff or Regimental Medical Officer of the regular Forces, and by a non-commissioned officer,—their arrival must be so regulated, as to have every necessary arrangement prepared previously to the day on which the volunteering is to take place. As soon as they have completed their duties they will return to their stations, the Superintending Officers reporting to the General Officer commanding the district, and transmitting through the same channel, for the information of the Field Marshal Commanding-in-Chief, a return according to the annexed form, of the number of men who have been released from their Militia engagement, showing the Regiments to which they belonged, and those for which they volunteered. In such Regiments as fail to furnish the required quota, the volunteering will re-commence as may be afterwards directed, and will be repeated from time to time, until the prescribed number shall be completed. The name of the Superintending Officer, and the day fixed for the volunteering, are invariably to be reported to the Adjutant General in sufficient time to allow of the same being notified to the Artillery, Engineers, Foot Guards and Marines.

2. The number of Men required to be furnished by the respective Regi-

ments of Militia, is in the proportion of 25 per cent. of their county establishment.

3. The Men will be permitted to volunteer for any of the Regiments of Cavalry, Artillery, Sappers and Miners, Foot Guards, Infantry and Royal Marines.

4. No Militia Soldier who may be in confinement when his Regiment is volunteering is to be accepted without the consent of his Commanding Officer. Soldiers undergoing imprisonment by sentence of courts martial are not to be allowed to volunteer.

5. No Militia Soldier employed as orderly room clerk, drummer, bandsman or armourer, is to be permitted to volunteer without the consent of his Commanding Officer.

6. The approval of volunteers for Cavalry and Infantry Regiments of the Line by Superintending Officers will henceforth be *final*, and Medical Officers are to pay the strictest attention to their surgical examination before they leave the head quarters of the Militia; no man is to be accepted labouring under any infirmity, or who is not fit for immediate and active service;—no man under 5 feet 5½ inches in height is to be received for the Cavalry, or for the Infantry of the Line under 5 feet 4 inches in height, or who is under 18 or above 30 years of age. Special *enlistments* of Men between the ages of 24 and 35 years, under the Order in Council dated 31st March, 1855, will be allowed on application to Inspecting Field Officers of recruiting districts.

7. When the volunteering of Militia Regiments is opened, Commanding Officers are strictly enjoined to afford every facility to the volunteering of their Men; and, in case they should refuse to discharge any Man who shall be desirous of extending his services to the Regular Army, they will transmit their reasons, in writing, for such refusal to the General commanding the district, for reference to Head Quarters.

8. The Superintending Officers will take care that the Volunteers are regularly discharged from the Militia, that their accounts are closed, that every just claim is satisfied, and that they are regularly enlisted, as well as attested, for the Regiment into which they have volunteered, according to the forms prescribed by the Mutiny Act.

9. The Volunteers are to be sent to their new Regiments in charge of steady Serjeants of the Regular Army or Militia. When circumstances render it advisable that the Volunteers for the Cavalry and Infantry of the Line should proceed to their respective destinations before routes can be obtained for their march, the Superintending Officer is to furnish the Serjeant under whose charge they are sent with the amount of their railway fares* (or, when necessary, give railway or passage warrants according to the War Office regulations), and recover the money under authority of covering routes, for which he will make application to the Quarter Master General in the usual manner. In the case of Men extending their services to Regiments in the same Garrison, or in the immediate vicinity, they are to be permitted to join their new Corps as soon as they are attested;—the Volunteers for the Artillery, Sappers and Miners, Foot Guards and Marines, are to be handed over to the Officers or Non-commissioned Officers who may be present to receive them. When Officers of those Corps are not present, nominal lists of the Volunteers are to be forwarded by the Line

* See Art. 9, p. 34, W. O. Railway Regulations of June, 1846.

Superintending Officer to their Head Quarters; but such Men are not to leave the Militia until a notification is received of their acceptance.

10. One pound in cash will be issued to each Man on being attested, and a further sum of 5*l.* on joining his new Regiment, making in all a bounty of 6*l.*, together with a complete kit; and, as a further arrangement, the Secretary of State for War has been pleased to approve of all Volunteers, above 19 years of age, being allowed to reckon one-half of their Militia service rendered while over the age of 18 as a part of Line service to entitle them to pension and any other advantages, such as good conduct pay, &c., belonging to the Regular Army, provided they shall have completed six months' Militia service.

11. The Volunteers are to take with them their necessaries, and such old clothing only as can be furnished and may be requisite, and their summer trousers when absolutely necessary; but their new clothing, knapsacks and chakos are to be left at the Regiment.

12. Officers and parties employed on the recruiting service are not to assist in this duty, unless specially directed to do so, as the volunteering must not be permitted to interfere with the regular recruiting for the Army.

13. No allowance will be granted to Officers or Non-commissioned Officers employed to superintend this duty beyond the regulated allowance and marching money.

14. A sum of 10*s.* for each Man finally approved will be allowed to the Militia Serjeants of the Regiments from which they volunteer, except in cases where recruiting parties may be specially ordered to be employed, when the sum of 15*s.* will be allowed, viz. 7*s.* 6*d.* to the Militia Serjeants, and 7*s.* 6*d.* to the recruiting party for each Man finally approved.

15. The money required by Superintending Officers for the payment of bounties, &c., is to be drawn and accounted for in the mode prescribed by the War Office Memorandum of 6th December, 1854.

16. These revised Instructions are to be substituted for any others that may have been hitherto issued, all of which are to be considered as cancelled.

By Command.

Adjutant-General.

Clothing, 8.

Horse Guards, 1st January, 1856.

With reference to paragraph 18, page 157, of the Queen's Regulations, the Field Marshal Commanding-in-Chief is pleased to direct that all Regiments of Infantry serving in the Crimea be furnished with peaks to their forage caps, as directed for Men serving in the Mediterranean.

By Command.

To Officers commanding Infantry Regiments (and Depôts) serving in the Crimea.

G. A. WETHERALL, *Adjutant-General.*

War Department, February 5, 1856.

The Queen has been pleased, by an instrument under Her Royal Sign Manual, of which the following is a copy, to institute and create a new Naval and Military Decoration, to be styled and designated "The Victoria Cross," and to make the rules and regulations therein set forth under which the said Decoration shall be conferred.

Victoria, by the grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith, &c.,

To all to whom these presents shall come, greeting:

Whereas we, taking into our royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in our Naval and Military Service, or of Warrant and Petty Officers, Seamen and Marines in our Navy, and Non-commissioned Officers and Soldiers in our Army; and whereas the Third Class of our Most Honorable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalized themselves remain undistinguished from their comrades; now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, we have instituted and created, and by these presents, for us, our heirs and successors, institute and create a new Naval and Military Decoration, which we are desirous should be highly prized and eagerly sought after by the Officers and Men of our Naval and Military Services, and are graciously pleased to make, ordain and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction shall be styled and designated "The Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Digitized by Google

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom we may be pleased to confer the Decoration shall be published in the London Gazette, and a registry thereof kept in the office of our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which if he had not received such Cross would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or Men who have served us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the naval or military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division, or brigade on a distinct and detached service, when such Admiral, Commodore or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross under rule seven shall be publicly decorated before the naval or military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the naval or military commander of the forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall

from time to time be transmitted to our Secretary of State for War, to be laid before us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, we will, on the joint submission of our Secretary of State for War and of our Commander-in-Chief of our Army, or on that of our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of seamen and marines, not under fifty in number, or by a brigade, regiment, troop or company, in which the Admiral, General or other Officer commanding such forces may deem that all are equally brave and distinguished, and that no special selection can be made by them; then in such case the Admiral, General or other Officer commanding may direct, that for any such body of seamen or marines, or for every troop or company of soldiers, one officer shall be selected by the officers engaged for the Decoration; and in like manner one petty officer or non-commissioned officer shall be selected by the petty officers and non-commissioned officers engaged; and two seamen or private soldiers or marines shall be selected by the seamen or private soldiers or marines engaged respectively for the Decoration; and the names of those selected shall be transmitted by the senior Officer in command of the naval force, brigade, regiment, troop or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every warrant officer, petty officer, seaman or marine, or non-commissioned officer or soldier who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under Rule Four on such warrant or petty officers, or non-commissioned officers or men, shall carry with it an additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under our Royal Sign Manual, and the Pension conferred under Rule Fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that we, our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, we shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this 29th day of January, in the 19th year of our reign, and in the year of our Lord 1856.

By Her Majesty's Command.

To our Principal Secretary of State for War.

GENERAL ORDER. No. 663.

Horse Guards, 9th February, 1856.

THE Field Marshal Commanding-in-Chief has great pleasure in communicating to the Army the following Garrison Order, issued by Lieutenant General Sir James Fergusson, Governor of Gibraltar:—

"*Gibraltar, January 16th*, 1856.

"The Lieutenant General Commanding cannot allow the departure of "Colonel Wilson Patten without expressing his regret at losing his "services and assistance.

"Colonel Wilson Patten has devoted his time and energies so unceasingly "to the training of his Officers and Men, and has shown so good an "example in coming out with his Regiment, when, from other duties "it could not have been expected from him, that the Lieutenant "General Commanding feels it incumbent on him to express his high "sense of the service he has rendered his Queen and country, and he "will not fail to notify to the Field Marshal Commanding-in-Chief the "favourable opinion he has formed of Colonel Wilson Patten and the "3rd Royal Lancashire Regiment.

(*Signed*) "J. FERGUSSON,
"*Lieutenant-General.*"

The valuable services of Colonel Patten, and the zeal and exertion he has evinced in bringing his Regiment to its present high state of discipline and efficiency, have been on other occasions most favourably brought to the notice of the Field Marshal Commanding-in Chief, and his Lordship feels that he can in no way better mark his approval, than by thus promulgating Lieutenant General Sir James Fergusson's Order, so creditable to Colonel Patten and the Militia Service.

By Command of the Right Honourable
FIELD MARSHAL VISCOUNT HARDINGE,
Commanding in Chief;
G. A. WETHERALL,
Adjutant-General.

That Commanding Officers of Artillery, Cavalry and Infantry call *immediately* upon the Non-commissioned Officers and Men to volunteer, transmitting descriptive returns of such as may come forward to the Adjutant General.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

(Signed) CLARENDON.
